Honorable Richard Helms
Director
Central Intelligence Agency
Washington, D. C. 20505

Dear Mr. Helms:

We are deeply appreciative of the contribution which you made last evening to the improved understanding of the intelligence community and of the Governmental process in general. This was but one more tangible evidence of the willingness of your agency to help get this Institute off to a fine start.

As you know, we are anxious that the executives-in-residence get an opportunity to feel that they have learned to know a few of the leaders of the Governmental enterprise better. Your style of presentation fitted this need remarkably well.

The executives, the faculty and the Director join me in a heartfelt "Thank you".

Cordially,

15/

EDWARD J. JONES, JR.
Dean of the Session
